PORTO

PORTO

Hydrates flowers in dry cartons

Porto is the ideal packaging for online business activities and for exporters that want to send flowers in water in dry boxes.

With Porto, you can send flowers in a vertical or horizontal position and even upside down in water. Flowers are supplied water during transport without any water leaking from the packaging. The Porto contains water for transport of an average of 2 days at a temperature of 30 degrees.

Porto filling machine

In order to facilitate the packaging process, we have developed a Porto filling machine that enables you to fill Porto with the correct amount of water in just seconds. Whether you work with a machine or by hand, the fact that the Portos can be filled in advance means considerable savings in time during hectic periods.

Porto 10 is the ideal packaging for Hydrangeas and is used globally for transporting Hydrangeas in water in a dry box.

	Average number of stems	Amount of water
Porto 10 (round)	10	80 ml (2,7 fl oz)
Porto 20 (round + square)	20	160 ml (5,4 fl oz)
Porto 20 XL (square)	20	400 ml (13,5 fl oz)
Porto 50 (square)	50	400 ml (13,5 fl oz)

Boxes for bouquets

We offer a total concept consisting of a Porto, a Porto box and a Porto insert.

The boxes are available in a variety of sizes. Boxes with customer-specific printing are available on request.

The insert is specially developed to ensure that the bouquet is secured in the box and does not shift during transport. The recipient can easily remove the bouquet from the box using the handle on the insert. This will prevent damage.

The boxes with an insert are available for the Porto 20 & 50 in the following sizes:

Box with insert	for Porto 20	for Porto 50
Length x width	9.8 x 11.8 inch	9.8 x 11.8 inch
Height	21.7 inch 29.5 inch	21.7 inch 29.5 inch
Stem length	18 inch 26 inch	18 inch 26 inch

Box for mono bunches

A similar type box is available for mono bunches.

As mono bunches are generally longer and narrower, the exterior size of this box is 7.9 x 7.9 inch.

Box with insert for Porto 20

Length x width	7.9 x 7.9 inch
Height	27.6 inch
Stem length	23.5 inch

All of the models in the Porto-line come in standard white. Upon request, other colours are available (subject to a minimum number of items).
